1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. DETAILED ACTION

Response to Amendment

1. This is a fourth office action in response to applicant's amendment filed 07 February 2006 of application filed, with the above serial number, on 27 July 2000 in which claims 1-20 are previously cancelled, claims 32 and 44-45 are hereby cancelled, claims 21-31 and 33-43 are amended, and claims 46-49 have been added. Claims 21-31, 33-43, and 46-49 are therefore pending in the application.
2. The reply filed on 07 February 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants response appears to be directed toward the claims as *not*-amended. For example, Applicant argues Fujiwara does not teach "establishing an anonymous communication session between the wireless access network and the computer via wireless user equipment" in claim 21. However, that limitation of the claim has been deleted by Applicant. Further, the amendment markings are not consistent with the previous claims. For example, the limitation "receiving, from the registration server arrangement, an authentication of the predetermined temporary ID and the predetermined temporary password" previously in claim 21 is not shown as having been deleted by Applicant. In addition, Applicant argues Fujiwara does not teach claims that have been cancelled (see claim 45). Further, double brackets is not consistent with 37 CFR 1.121(c)(2). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer,

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
